Stronger Together for the future of Landcarers and Land Managers

“Do not let Landcare and the efforts of Landcarers live or die on budget day!”

Minister Niall Blair – to Landcare NSW Council 2017

The success of Landcare and Local Land Services relies in many ways on working together and building on the strengths of each other.

Working together we can government proof the actions of those caring for the land.

Landcare NSW/Local Land Services Partnership
Memorandum of Understanding

Sustaining Landcare

“Building centralised support”

Landcare membership – Different models to suit different situations and needs

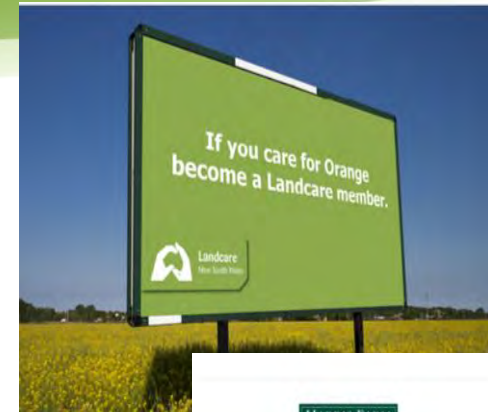

Sponsorship and donations – Accessing a range of funding to provide security and consistent service

Group insurance and benefits – Ensuring efficiency and access to the best available options

Value proposition – Developing a case to invest in Landcare

System development – Setting up the infrastructure to provide state wide services

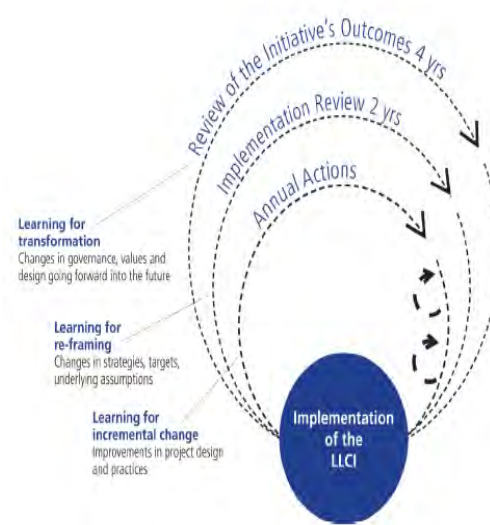

Branding and comms – Giving Landcare the best public face

Coming up...

NSW Landcare Awards –
Recognising the
champions of Landcare across NSW

NSW Conference – Hosted by the
Murray LLS
and the Murray Landcare Collective
in Albury, October 25-27

The screenshot shows the 'NSW Landcare Gateway' website. The header includes navigation links: 'News', 'Events', 'Landcare Groups', 'Resources', 'Local Landcare Coordinator Initiative', and 'Forums'. The main content area is titled 'Local Landcare Coordinator Initiative Overview'. It describes the LLCI as a \$15 million, four-year project to renew the government-community relationship and unlock the full potential of thousands of volunteers in the Landcare Network. The text mentions a Memorandum of Understanding signed in 2015 and quotes the partnership statement: 'Landcare NSW and Local Land Services as a government and community partnership are stronger together in achieving outcomes for communities and landscapes'. It also outlines the LLCI's structure, which includes three primary components: Local Coordinators, Community of Practice, and Sustaining Landcare. A sidebar on the right lists 'Initiative' updates, including 'Local Landcare Coordinator Initiative Updates', 'Induction and Training Workshop, March 2016', 'Local Landcare Coordinators', 'Reporting', and 'Sustaining Landcare Project'.
